

Part Number	VLI-232-25-100	Product	2-1/2" Pressure Gauge, 0-150 psi
-------------	----------------	---------	----------------------------------

SPECIFICATIONS

Parameter	Value
Dial Size	2-1/2"
Range Minimum	0 psi
Range Maximum	150 psi
Accuracy	+/-1.5%
Case Material	Stainless Steel 304
Wetted Parts	316 SS
Connection Size	1/4" NPT
Connection Location	Lower Mount
Window Material	Polycarbonate
Fill Type	Glycerine Filled
Ingress Protection	IP65
Operating Temperature	-40F to 140F
Movement	Bronze, 250 degree rotation
Standard	ASME B40.100

NOTES

- Listing compiled from supplier catalog data.
- Range shown may reflect a superseded revision.
